

Dear Ladies and Gentlemen:

This is to inform you that the registration deadline for the RERTR-2003 International Meeting on Reduced Enrichment for Research and Test Reactors has been extended until August 29, 2003. If you would like to take part in the tour of Argonne National Laboratory on October 8, 2003, please return the appropriate tour access form to Jennifer Seivwright by August 29, 2003. Please make reservations early for best availability.

Please note the following updated critical deadline dates:

September 19, 2003	Hotel Reservation
October 5, 2003	Final Paper, Signed Publication Release Form, and Registration Fees

We are looking forward to seeing you in Chicago.

Sincerely,
The RERTR Program Staff
