Instructions for IAEA Travel Grants

The IAEA offers a limited number of travel grants which contribute to meeting the grantee's travel and accommodation expenses. The grants aim to stimulate the attendance of selected professionals in the research reactor community who would have difficulties attending RERTR-2013 without this assistance. The IAEA invites particularly young people to apply for a travel grant. The criteria for selection are:

- The candidate must be a national from an IAEA Member State eligible to receive assistance under the Agency's Technical Co-operation Programme;
- The candidate must present an oral paper or poster accepted by the Programme Committee
- Priority will go to first-time applicants
